

Elegance. On budget.
 Customize interior glass and windows to capture the look of designer glass at a fraction of the cost.

Proven. Trusted. Guaranteed.

Proven: 3M™ Decorative Glass Finishes & Films are designed to resist peeling, swelling and discoloration for long-lasting beauty and clarity. You can count on continued performance because we push beyond industry standards.

Trusted: Combining technologies in imaginative ways, our scientists continue to develop revolutionary solutions that help keep homes stylish, comfortable and protected.

Guaranteed: When you choose 3M, you choose peace of mind. That's because our warranties are among the best in the industry, backed by a trusted company you know will be around.

Put 3M Science to work for you.

3M™ Authorized Dealer Installers are proven experts in helping to solve problems like privacy, aesthetics, temperature imbalances and issues with fading. They are skilled solution-providers for window film safety and security, comfort and privacy.

For more information, please call 1-866-499-8857 or visit us at 3M.com/WindowFilm.

The Skin Cancer Foundation recommends the use of window film in automobiles and commercial and residential buildings due to its properties that screen out UV rays.

3M™ Decorative Glass Finishes & Film

Make ordinary glass extraordinary.

Unlimited design possibilities within your budget.

Imagine if you could transform plain glass surfaces inside your home. Would you create elegant privacy? Make bold, dramatic statements? With 3M™ Decorative Glass Finishes, you can do all this and more — without sacrificing the beauty of natural light.

3M™ Fasara™ Decorative Films and 3M™ Crystal Glass Finishes are perfect for privacy and decorative applications.

Use our etched, cut, sandblasted, textured or other decorative glass designs to create décor that inspires and stays within your budget.

Let your imagination soar. Use the films just the way they are or layer them to create dramatic effects.

Customize privacy. Enjoy the light.

With our many options in style, opacity and translucency, you can tailor the amount of privacy you want for a space without sacrificing light. Let light pour from room to room and create an open feel even in confined spaces. Surround yourself with natural light and beauty.

Unlimited possibilities.

Consider 3M™ Decorative Glass Finishes for these spaces and more:

- ▶ Entrances
- ▶ Shower doors
- ▶ Bathroom windows
- ▶ Kitchen cabinets
- ▶ Partitions
- ▶ Glass railings

Reflect your style.

3M™ Fasara™ Decorative Films: Available in a variety of patterns, ranging from subtle to sophisticated. These films offer an easy, cost-effective solution for creating the illusion of etched, treated or texturized glass.

3M™ Crystal Glass Finishes: These permanent, pressure-sensitive films come in dusted and frosted designs to give the elegant look of sandblasted or etched glass.

Decorative idea.

Take an ordinary glass table and make it extraordinary. Just apply 3M™ Decorative Glass Finishes to the bottom surface. Contact a local 3M™ Authorized Dealer Installer for design patterns.

Easy application. Easy care. Beauty that endures.

3M expertise in films and adhesives ensures fast, accurate, beautiful and durable applications.

Cleaning is simple. Just wash the films with common, non-abrasive cleaning solutions to ensure longevity.

Added safety and protection.

3M™ Fasara™ Decorative Films block up to 99% of harmful ultraviolet rays to help protect you and keep your furnishings looking beautiful longer.
